

# Creación tenant

martes, 14 de noviembre de 2023 10:29

-Accedemos al portal de **AZURE**.

-Entramos en el servicio Active Directory (**Microsoft Entra ID**).

-Accedemos a **Manage tenants - Create Tenant**.

-**Organization name**: el nombre que va a aparecer debajo de nuestra cuenta arriba a la derecha.

-**Initial domain name**: tiene que ser único.

\* Basics \* **Configuration** Review + create

Directory details

Configure your new directory

Organization name \* ⓘ Agiglesias ✓

Initial domain name \* ⓘ agiglesias ✓  
agiglesias.onmicrosoft.com

Location ⓘ Spain ✓  
Geographic location - Europe

The location selected above will determine the geographic location where Azure AD B2C will store your Core Store data only. To determine where Microsoft will store or process your Azure AD B2C data, see [Azure AD B2C region availability and data residency](#).

Subscription

Choose the subscription to use for Azure AD B2C. [See pricing details](#)

Subscription \* Azure for Students ✓

Resource group \* (New) RG-Subscr ✓  
[Create new](#)

Resource group location \* West Europe ✓
